

Luxury Beachfront Home for Sale

Arsuf, Israel

In the exclusive Arsuf community is located a uniquely designed new cliffside residential property overlooking the Mediterranean sea. The property is defined as an architectural masterpiece and built from special materials, details and design. Exclusive location of the property gives it a special status in real estate even by world standards.

This property, situated in an intimate complex of only 10 units and covering about 500 square meters, is an architecturally designed, custom finished and stunning modern beach home or holiday retreat.

Amenities include a swimming pool, a gym/ recreation space, covered parking spaces and more. Set over two spacious levels, both enjoy uninterrupted views of the Mediterranean sea and a national park stretching north and south.

This fantastic location is mere seconds from the sea; 10 minutes to Herzliya-Pituach shopping centers, cafes & restaurants and just 20 minutes to Tel Aviv's Centre.
